

# Rink SWOP

## roll up rules

This game requires a set number of players, should there be any additional extra players but an insufficient number to make two teams, these players will be given the option of playing a friendly match between themselves at a reduced rink fee rate of £2.

A sheet list to reserve your place will be put up in reception in advance of each game. In the event of any cancellations, the first additional extra player will take this position.

Players must arrive 15 minutes before the match start, this will allow time to change and the organisers to allocate your rink number.

The cost will be £4 pp, with the 50p over going to the overall winners each receiving monetary vouchers redeemable at the bar.

Teams are selected as in a normal roll up by picking coloured discs from a bag.

It is played in a triples format for a total of 12 ends.

Members of the teams nominate the positions they will take, these positions can only be changed between matches.

After every 4 ends the winner of those ends moves 1 rink down.

Should a team run out of rinks to move down to, they must return by moving back up the line.

In the event of a drawn game, the teams skip toss a coin for control of the mat and enter into a one bowl shootout, this point won must not be added to their running total on their scorecard.

Any killed jacks are re-spotted on the T. If the T is covered by a bowl, the jack is placed immediately in front of that bowl.

Each team fills in a score card, which is handed in to the organiser at the end.

At the end the organiser will announce the winning team in the lounge, who will be then awarded vouchers redeemable at the bar.

### **SCORE CARDS**

The score card shows your own score being labelled "home team" first, followed by your oppositions score. This is then followed by the accumulative score of your own "home team" for all ends played up to and including that end.

As this is a new event to the club, these rules will be reviewed at the end of the year.

A copy of these rules are available from reception for anyone wishing them.
